PRESS RELEASE

FOR IMMEDIATE RELEASE
Monday, October 31, 2011

Melampy Creek Lane Closure Extended

Lebanon, Ohio – Melampy Creek Lane closure in Deerfield Twp. will be extended an additional week, at the intersection of Bethany Road for completing the water main relocation. This is part of the Bethany Road Widening Project. The extended closure shall be approximately five (5) days ending November 4, 2011, weather permitting. Bethany Road shall remain open at all times.

The detour for the closure will continue to be posted, and will utilize Melampy Creek Lane, Rosewood Lane and Ivy Grove for both of these closures. Your cooperation during construction is greatly appreciated.

Further closures may become necessary in the future, and for-up-to-date information on the Bethany Road project, please visit <http://www.wceo.us/>.

For more information, contact the Warren County Engineer's Office at (513) 695-3302.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
