Deerfield Township, OH—October 17, 2011—

Final 2011 Brush Pickup and 2011 Fall Leaf Pickup

The Deerfield Township Public Works Department's **FINAL** brush pickup of 2011 will be the week of October 24th thru October 28th. All brush (ex: branches, limbs, sticks, etc.) should be stacked accordingly at the curb by not later than 7 a.m. on Monday morning, October 24th.

Crews will begin the Fall leaf pickup on Tuesday, November 1st and will continue until Wednesday, November 30th.

Crews will *only* pick up **bagged** leaves; paper or plastic bags are preferred. To conserve space, please mulch the leaves prior to bagging them if possible. The bags should be securely tied and placed in the grass berm in front of your residence. Please **DO NOT** include grass clippings, twigs, rocks, etc. in the bags.

Bags of leaves should be placed out at the street on the same day you typically place your trash out for curbside pick-up. Your trash haulers may pick up some of the bagged leaves depending on your service provider. The Township crews will be around the day following your normal trash service to pick up any bagged leaves that were not taken. Depending on weather and the volume of bags placed for pick up, exact leaf pick up days may vary. For additional details and information, please contact: Eric Reiners, Deerfield Township Project Manager at 513.701.6974.
