

KINGS MILLS IMPROVEMENT PROJECT

Overview and Update

February 18

The improvement project is in the Kings Mills Hamlet, located in Deerfield Township. The overall project limits cover all infrastructure south and west of King Ave. and east of Columbia Road. The project includes replacing and expanding aged and failing infrastructure, including roadways, curb and gutter, sidewalk, water main, and storm sewer. Deerfield Township submitted an application to the Ohio Public Works Commission (OPWC) for grant funding and was awarded the first two phases. Deerfield Township will also be partnering with Warren County Water & Sewer, Warren County Engineer's Office, and the Deerfield Reginal Stormwater District on all stages of this project.

***Phase I** - completed in the summer of 2022.

***Phase II** - completed in the summer of 2023

***Phase III** - Public bidding complete in June of 2023. Construction to begin in January of 2024. Completion in the summer of 2024.

***Phase IV** - Final application submitted to OPWC in July of 2023.
