Section 4.1
Monthly Deduction

Upon presentation of a written deduction authorization, the Employer shall, once each month for each member, cause the deduction of the monthly dues, initiation fees, and assessments of Local 4286 members covered by this Agreement based upon the most recent roster provided by the Union as set forth below. The Union shall present the Employer with a roster setting forth a list of names for whom deductions are authorized as soon as possible after the effective date of this Agreement. The roster shall not include any employee who withdraws from Union membership and revokes their written deduction authorization. Any changes in the most recent roster provided to the Employer by the Union shall be given to the Employer at least seven (7) days prior to the payroll from which the monthly dues are to be deducted. The Employer agrees to furnish the Union, once each calendar month, a warrant in the aggregate amount of the deductions made for that calendar month pursuant to the signed authorizations.

Section 5.1

Non-employee representatives of the Union shall be admitted to the Employer's facilities for the purpose of processing grievances or attending meetings as permitted herein without prior approval. Upon arrival, the Union representative shall identify themselves to the Station Officer, who will notify the on-duty Battalion of their arrival.

Section 5.2

The Employer shall recognize five (5) employees, designated by the employees of the Local, to function as Union representatives for the purposes of representation as outlined under this Agreement.

Section 5.3

No employee shall be recognized by the Employer as a Union representative until the Union has presented the Employer with written notification by the Union President.

Section 5.4

Rules governing the activity of Union representatives are as follows:

- A. The Union agrees that no official of the Union, employee or non-employee, shall interfere, interrupt, or disrupt the normal work duties of other employees. The Union further agrees not to conduct Union business during working hours except to the extent specifically authorized herein.
- B. The representative shall process all grievances during non-working hours, if possible. When processing grievances must be done during working hours, the time allocated for such processing will be scheduled by the Fire Chief or their designee. The representative shall be permitted reasonable time to investigate, present, and process formal grievances on the Employer's property. In each and every instance where such time is required, only one (1) on-duty Union representative may be assigned to the grievance to investigate, present, and process the grievance on the Employer's property at any given time.

- C. The Union employee official shall cease unauthorized activities immediately upon the request of the Fire Chief or Township Administrator.

Section 5.5

The Employer agrees to allow Union bulletin boards measuring 3' x 4' for the purpose of allowing the Union to post notices relating to the affairs of the members of the bargaining unit. All materials posted must be distributed from Union E-Board Members. Station Captains will oversee content posted on boards, subject to the approval of the Fire Chief or their designee. No obscene, immoral, political, or controversial matter may be posted. The board will be kept neat and orderly. One (1) bulletin board will be allowed in each fire station.

Section 5.6

The Union shall be allowed to conduct union meetings on Deerfield Township property only with the prior approval of the Fire Chief or their designee. Employees on duty shall be permitted to attend such meetings with approval of the on-duty Battalion. Designated employee representatives are permitted to attend labor management meetings on duty (crew members must remain available to respond, if needed).

No such meetings may be scheduled or held which will interfere with regular or special meetings of the Board of Trustees, the Zoning Commission, the Board of Zoning Appeals, or any other department of Deerfield Township. In the event that a Union meeting is scheduled and a conflict later develops, the Administrator may move the Union meeting to a mutually agreeable alternate site.

ARTICLE 6
NON-DISCRIMINATION

Neither the Employer, its agents, agencies, nor officials, nor the Union or its agents, or officers shall discriminate against any employee on the basis of age, sex, marital status, race, color, creed, national origin, handicap, political, or union affiliation.

ARTICLE 7
PERSONNEL FILES

Section 7.1

If, under the Public Records Act, a non-employee makes a request to inspect an employee's personnel record, the employee will be notified of any such request.

Section 7.2

Records of disciplinary action shall cease to have force and effect according to the following schedule, provided that there is no intervening disciplinary action taken during that time period:

Verbal warning/counseling	–	12 months
Written Reprimand	–	12 months
Suspension	–	24 months
Demotion	–	permanent
Discharge	–	permanent

The forgoing time period shall be measured from the date of the disciplinary action. In the event that there is an intervening disciplinary action taken prior to the expiration of any of the foregoing time periods, the record of the applicable disciplinary action shall continue to have force and effect according to the foregoing schedule based upon the above set forth time periods, beginning with the date of such intervening disciplinary action.

Section 7.3

Each employee within the Union shall, upon request, be permitted access to their personnel records, copies of all injury report forms, and Workers' Compensation forms pertaining to their own employment, provided that this access does not interfere with the discharge of their duty or the duties of the Personnel Department. The complete employee file will be available by conclusion of the next business day. The employee will be granted one (1) copy of the employee's individual personnel file documents.

Section 7.4

If an employee feels that any material in their personnel file is untrue and/or derogatory, the employee shall have the right for a period limited to thirty (30) days after such receipt or review of their file to answer or respond to such material in writing and such answer or response will be made part of those files. Should an employee leave the employment of the Township and sign a waiver of information for any future employer, the information that is released shall include the employee's response to any material that they deemed untrue and/or derogatory.

Section 7.5

Copies of any material placed in the employee's personnel file shall be forwarded to the employee.

ARTICLE 8
PROBATIONARY EMPLOYEES

Section 8.1
New Employees

All new hire employees shall serve an initial probationary period of six (6) months from the date of hire. An employee serving an initial probationary period may be disciplined or discharged at any time and shall have no right to appeal or grieve the termination.

Section 8.2
Promoted Employees

Any employee who has successfully completed their initial probationary period and is promoted into another bargaining unit position which is higher in pay, shall serve a six (6) month probationary period in the new position. If the employee's performance is unsatisfactory in the new position, they shall be returned to their former position or the next available position for which they are qualified.

ARTICLE 9
WORK RULES AND POLICIES

Section 9.1

The Union recognizes that the Employer has the right to promulgate reasonable rules and regulations so long as the establishment or enforcement does not violate this Agreement or Ohio Revised Code Chapter 4117. The Union may make recommendations to the Employer with respect to such matters through the Labor Management Committee.

Section 9.2

The Employer will not make changes in rules or regulations which, if violated, might result in disciplinary actions without first posting such changes or additions on the bulletin board ten (10) consecutive days before the effective date of the change. This requirement may be waived in the event of an emergency with mutual consent. An emergency, for the purpose of this Article, shall be any circumstance in which the safety of members of the Department or community may be endangered by delay in implementation of the change.

Section 9.3

When the Employer updates Standard Procedural Guidelines (SPG's), the entire article will be replaced with corresponding date documentation to provide clarity on changes for current rules, policies, and procedures in effect. Replaced articles shall be archived for future retrieval, as may be necessary from time to time. Access to SPG's shall be maintained from all Township facilities. A printed copy of all SPG's, Chiefs Directives, and other like policies and procedures shall be maintained at each fire station for viewing.

ARTICLE 10
EDUCATION REQUIREMENTS/INCENTIVES

Section 10.1
Training Requirements

- 10.1.1** Bargaining unit employees are required to maintain any and all certifications which they possessed, maintained, or obtained at the time of hire or at any time thereafter, until such time as the Fire Chief or their designee allows the employee to no longer carry that certification.
- 10.1.2** The Employer may require additional training as a condition of employment where, as a result of any employee's yearly evaluation, there is a deficiency in performance; or, where an employee is disciplined for poor performance and the Employer determines that additional training is required in order to remedy the employee's performance.

Section 10.2
Mandatory Continuing Education

- 10.2.1** The employee shall complete the necessary continuing education and refresher courses to maintain current and/or required certifications as set forth by the fire department for all employees covered under this agreement.
- 10.2.2** The Township shall pay for all courses as required by the Township and/or the State of Ohio as a requisite to maintain required certification for employment by Deerfield Township. Payment for all courses which must be approved in advance shall be made by the Township at the discretion of the Administrator by either reimbursement or advancement.
- 10.2.3** If attendance in the mandatory course is outside the employee's regular work schedule, the employee shall be paid for their time at their applicable rate of pay.

Section 10.3
Other Approved Courses

- 10.3.1** In the event that an employee desires to take a course which is not required by the Township and/or State of Ohio as a requisite to maintain required certification by Deerfield Township but which the employee believes will benefit their ability to perform required work, in order to obtain tuition assistance, the employee must, in advance, obtain written approval by the Township which shall be at the discretion of the Administrator. In the event

that such approval is obtained, payment for any such course shall be at the discretion of the Administrator by either reimbursement or advancement as set forth above.

- 10.3.2** To encourage professional development of its employees, the Township may pay expenses for employees to attend schools, conferences, seminars, workshops, and vocational or college courses. All requests for training and course/s of study must be approved by the applicable Department Head and the Board of Trustees.

Section 10.4
College Tuition Assistance

- 10.4.1** Not more than six (6) bargaining unit members may participate in the tuition payment/reimbursement plan at any given time. The list will be maintained by the Fire Chief or their designee.
- 10.4.2** The course work pursued must be related to the Fire Science or Emergency Medical Service field or be a required course leading to a formal degree. To be eligible for reimbursement under this section, the college or university must be accredited by an accrediting agency or association recognized by the U.S. Department of Education or the Council of Higher Education Accreditation (CHEA).
- 10.4.3** All approved tuition payments and/or reimbursement agreements will be reduced to writing and fully executed by all interested parties prior to presentation to the Board of Trustees for approval.
- 10.4.4** Employees who participate in the plan are generally expected to stay under the Township's employ 'year-for-year up to two (2) years' maximum that their tuition is paid. In the case that the employee leaves their employment with the Township prior to fulfilling the 'year-for-year up to two (2) years' commitment, measured from the later of completion of or Township payment for the course, they will be expected to reimburse the Township for the entire amount of tuition paid on their behalf for all courses attempted.
- 10.4.5** Generally, all tuition and lab fees incurred in taking the course(s) will be paid by the Township at one hundred percent (100%), assuming that the employee receives a passing grade in the course/s. In the event a passing grade is not earned, the employee must reimburse the Township for all monies paid in taking the course/s.
- 10.4.6** Materials such as, but not limited to, textbooks, tools, supplies, lab materials, lodging, transportation, parking, meals, etc. are non-reimbursable expenses

that are solely the responsibility of the employee and will not be paid by the Township in any case.

10.4.7 The company will pay directly up to \$5,250 per calendar year on a tax-free basis, in accordance with IRS regulations. Tuition assistance received in excess of \$5,250 in a calendar year shall be subject to federal income tax and applicable federal employment taxes, as established by the IRS. This amount will be reported as taxable income on the employee's W-2, and the employee is responsible for any resulting tax liability.

10.4.8 To maximize the educational opportunities to bargaining unit employees, the Employer will reimburse the employee, or make payment directly to the educational provider in advance under the following stipulations:

10.4.8.1 Firefighter/EMT will not be eligible for tuition assistance.

10.4.8.2 Firefighter/Paramedic will be eligible for tuition assistance for an associate's degree.

10.4.8.3 Lieutenants will be eligible for tuition assistance for a bachelor's degree.

10.4.8.4 Captains will be eligible for tuition assistance for a master's degree.

Section 10.5 Paramedic School

The Employer shall cover all costs associated with paramedic school for employees who have not yet completed the program at the time of hire. However, the Employer will not pay the employee for funds already disbursed. Whenever feasible, employees shall attend paramedic classes during their assigned duty day and return to work upon completion. Obtaining the paramedic certification within twenty-four (24) months of hire is a condition of employment. Failure to obtain paramedic certification within the specified timeframe shall constitute just cause for termination of employment. Employees participating in Paramedic School who leave the Township's employ within 2 years of receiving their paramedic certification shall reimburse the Township for all classes and attendance costs.

Section 10.6

In the event of financial stress or layoffs, the Article may be suspended in part or in whole by determination of the Township Administrator in consult with the Fire Chief.

ARTICLE 11
GRIEVANCE PROCEDURE

Section 11.1

The term “grievance” shall mean an allegation by a bargaining unit employee that there has been a breach, misinterpretation, or improper application of this Agreement.

Section 11.2

All grievances must be in writing and must contain the following information to be considered:

11.2.1 The grievant’s name and signature;

11.2.2 Grievant’s classification;

11.2.3 Date grievance occurred;

11.2.4 Date grievance filed;

11.2.5 Description of the facts giving rise to the grievance;

11.2.6 Articles and Sections of the Agreement alleged to have been violated; and

11.2.7 Remedy sought.

Where a group of employees are affected in the same manner involving an alleged grievance, such grievances may be combined and processed as one (1) grievance. Only one (1) employee will be required to process the combined grievances.

Section 11.3

All grievances must be presented at the proper step and time in progression in order to be considered at the subsequent step. The aggrieved may withdraw a grievance at any point by submitting, in writing, a statement to that effect, or by permitting the time requirements at any step to lapse without further appeal. Where the Employer’s representative fails to respond in a timely fashion, the employee may advance the grievance to the next step of the procedure. During the period for filing of a written grievance, the parties are encouraged to verbally settle the grievance. The following are implementation steps and procedures for processing grievances.

Step 1: Written reprimands may be grieved to the Fire Chief within fourteen (14) calendar days of the date on which the facts or circumstances giving rise to

the grievance were or should reasonably have been discovered, the grievant and/or their representative shall present the written grievance. The Fire Chief shall meet with the grievant and steward no more than nine (9) calendar days from the receipt of the grievance and shall issue a written response within three (3) calendar days following the meeting.

Step 2: If the grievance remains unresolved following Step 1, or if the discipline is a suspension without pay, demotion, or termination, the grievant and/or their representative and their steward, or Local President, shall present the grievance to the Township Administrator within fourteen (14) calendar days of the date on which the facts or circumstances giving rise to the grievance were or should reasonably have been discovered. The Administrator shall conduct a hearing within five (5) business days of receipt of the grievance and shall issue a written response within five (5) business days of the hearing.

Step 3: If the grievance is a suspension without pay, demotion, or termination and remains unresolved following Step 2, the employee and their steward, or Local President, shall present the grievance to the Board of Trustees within five (5) business days from the Step 2 response. The grievance shall be heard in executive session at the next regularly scheduled meeting of the Board of Trustees after receipt of the grievance. Following such executive session, the Board of Trustees shall take formal action with respect to the grievance as part of a public hearing.

Step 4: Arbitration. A grievance unresolved in Step 3 may be submitted to arbitration upon request of the Union in accordance with this Section of this Article.

The Union, based upon the facts presented, has the right to decide whether to arbitrate a grievance. Within twenty (20) calendar days from the date of the final answer at Step 3 is received, the Union shall notify the Employer of its intent to seek arbitration over the unresolved matter. The union may withdraw its request to arbitrate at any time prior to the actual hearing. Any cancellation fee due to the arbitrator shall be paid by the party (or parties) canceling the arbitration. Any grievance not submitted within the twenty (20) calendar day period described above shall be deemed settled on the basis of the last answer given by the Employer's representative(s).

- A. The representatives of the parties shall attempt to agree on an arbitrator. Should the representatives fail to agree on an arbitrator, the arbitrator shall be selected in the following manner: The Federal Mediation and Conciliation Service (FMCS) shall be jointly requested to submit a panel list of seven (7) arbitrators from Ohio. The cost, if any, of obtaining a list of arbitrators shall be split equally by the parties. The order of who will first strike shall be determined by a flip of a coin. The parties shall alternately strike the names of the arbitrators until only one (1)

name remains. Each party may once reject the list and request from FMCS another list of seven (7) arbitrators until a mutually agreeable arbitrator is selected. The parties may at any time mutually agree to an alternate arbitration service or method of selection of an arbitrator. The arbitrator shall limit their decisions strictly to the interpretation, application, or enforcement of specific articles in the Agreement. They may not modify or amend the Agreement.

- B. The question of arbitrability of a grievance must be raised by either party before the arbitration hearing of the grievance, on the grounds that the matter is non-arbitrable or beyond the arbitrator's jurisdiction. If the arbitrator determines the grievance is within the purview of arbitrability, the alleged grievance will be heard on its merits before the same arbitrator.
- C. The decision of the arbitrator in all matters shall be final and binding on the IAFF, Local 4286, on all bargaining unit employees, and the Township, and no appeal to the Court of Common Pleas, other than applications authorized under ORC Chapter 2711 will be permitted. The arbitrator shall be requested to issue their decision within thirty (30) days after the conclusion of testimony and argument.
- D. The reasonable fees and expenses of the Arbitrator shall be borne by the losing party. In the event that the Arbitrator's decision fails to grant the requested award of either party in its entirety, the award will be deemed a "split decision," and the reasonable fees and expenses of the Arbitrator shall be shared equally. The costs of any proofs produced at the direction of the Arbitrator, if any, or the hearing room, shall be borne equally by the Employer and the Union. The expenses of any non-employee witness shall be borne, if any, by the part calling them. The fees of the court reporter shall be paid by the party asking for one; such fees shall be split equally if both parties desire a reporter or request a copy of any transcripts. Any bargaining unit member whose attendance is required for such hearing shall not lose pay or benefits to the extent such hearing hours are during normally scheduled working hours on the date of the hearing.

Section 11.4

When an employee covered by this Agreement chooses to represent themselves in the presentation of a grievance, no adjustment of the grievance will be inconsistent with the terms of this Agreement. Prior to the hearing of any such grievance, the appropriate Union steward will be notified of their right to be present at the hearing.

Section 11.5

The Union shall use a grievance form, which shall provide the information outlined in Section 11.2. The Union shall have the responsibility for the duplication, distribution, and

their own accounting of the grievance forms. Grievance forms may be sent electronically by email, by either the Township or the employee/Union; the time and date stamp on the email will account for the date the grievance was filed.

Section 11.6

Termination of employees for failure to obtain a paramedic certification within twenty-four (24) months of hire shall be final and not subject to the grievance process, as certification is a clear and objective requirement for continued employment.

Section 11.7

Time limits set forth in this Article may be waived by mutual, written agreement.

ARTICLE 12
SENIORITY

Section 12.1

Seniority shall be defined as the length of continuous service measured in years, months, and days that an employee has accumulated since the last date of hire as a permanent, full-time employee in the service of the Township within the Department.

An employee's seniority shall commence after the completion of the probationary period and shall be retroactive to the first day the employee reported for work full-time. In the event that two or more employees are hired on the same date, seniority shall be based upon the process scores of the employees hired on the same date, with the greater seniority awarded to the employee or employees with the higher process scores in accordance with current practice as of the date of this Agreement. Notwithstanding the foregoing, in the event that any of the employees hired on the same date are in different classifications, the employee in the higher classification shall be considered to have the greater seniority regardless of process score.

Section 12.2

The following situations shall not constitute a break in continuous service:

- A. Absence while on approved sick leave, family and medical leave or disability leave;
- B. Military Leave; and
- C. A layoff of twenty-four (24) months or less.

The following situations constitute breaks in continuous service for which seniority is lost:

- A. Discharge for just cause;
- B. Retirement;
- C. Layoff of more than twenty-four (24) months;

- D. Failure to return to work within ten (10) calendar days of a recall from layoff;
- E. Failure to return to work at the expiration of a leave of absence;
- F. A quit or resignation; and
- G. Transfer to a position outside the bargaining unit (in this case, seniority is frozen. If the employee returns to the bargaining unit, their seniority commences where it left off.)

During an approved personal or professional leave (educational leave), seniority is not accrued or lost, it is suspended. Upon return to work from such a leave, the employee's seniority will be adjusted to reflect the period of absence.

Section 12.3

Seniority within rank is based upon date of promotion.

ARTICLE 13
DISCIPLINE

Section 13.1

The Employer may take disciplinary action against any employee in the bargaining unit only for just and sufficient cause. Grounds for discipline include violations of established standards of conduct, and commission or omission of any act or offense which any reasonable person should know to be wrong, inappropriate, or so egregious that discipline or discharge is likely to occur.

Section 13.2

Forms of disciplinary action, but not necessarily the order of discipline are:

- A. Verbal warning and counseling of employee;
- B. Written reprimand (may include remediation);
- C. Suspension without pay;
- D. Demotion in pay and position; and
- E. Discharge

Discipline will be applied in a progressive and uniform manner. Progressive discipline shall take into account the nature of the violation, the employee's record of performance and conduct, any prior discipline, and the number of hours in an employee's work schedule. Disciplinary penalties shall be appropriate to the offense, and as such the forms of discipline listed in this Section do not necessarily represent a systematic order to be followed in all instances.

Section 13.3

Written Reprimands

- 13.3.1** Written reprimands may be imposed by the Fire Chief, Assistant Chief, Deputy Chiefs, Captains, Lieutenants, or acting officers (station officers) regardless of pay status. They may be grieved through the grievance procedure, up to and

including the Township Administrator, but, notwithstanding anything to the contrary in this Agreement, are not subject to appeal to arbitration pursuant to the grievance procedure.

- 13.3.2** Written reprimands shall be given to the employee within six (6) days of an officer or acting officer's knowledge and/or final investigation of the event causing discipline to be imposed on an employee.

Section 13.4

- 13.4.1** No employee shall be recommended to the Board of Trustees for demotion, dismissal, or suspension without the Township Administrator first conducting a pre-disciplinary hearing with the employee.

In special cases, the employee may be suspended with pay pending a meeting, but such meeting must be held promptly. On suspension, the suspended employee may request a hearing to be held by the close of the next workday. The Union President or steward shall have the right to attend such meeting subject to the disciplined employee's desire.

- 13.4.2** Notification of the investigation will be made by email to an employee being investigated within 24 hours of the commencement of an investigation. All documents, statements, and reports pertinent to the investigation will be furnished to the employee at least 48 hours prior to any meeting with the Administrator and/or Board of Trustees.

- 13.4.3** At the pre-disciplinary hearing, the Township Administrator will ask the employee to respond to the allegations of misconduct which were outlined to the employee. Failure to respond and/or failure to respond truthfully may subject the employee to further discipline up to and including dismissal. All demotions, dismissals, and suspensions without pay must be approved by the Board of Trustees in an open meeting.

ARTICLE 14
JURY DUTY

Section 14.1

In the event an employee is summoned for jury duty, the employee shall receive pay for the time lost from work due to jury duty. The pay shall be at the employee's normal hourly rate.

Section 14.2

When the employee is released from jury duty during a normal workday for the employee, the employee shall report to work for the remainder of their tour of duty.

Section 14.3

In order to receive any such payment, an employee must notify the Township within 48 hours of the receipt of the jury duty summons and also present a written statement from the court of the jury duty performed and the payments received by such employee. The employee must sign over to the Township all court payments received for jury duty.

Section 14.4

If time off would create a special hardship for the Employer, the Township will assist the employee in providing the court with the information necessary to request a release from jury duty.

ARTICLE 15
WORK-RELATED LEGAL APPEARANCES

Section 15.1

Each employee required to appear in court resulting from their duties or to give affidavits, provide statements to police or other investigators, observe line-ups or engage in any other type of legal appearance pertaining to their employment with the Township, at a time outside their regular work schedule, shall be compensated at the applicable rate of pay for the greater of a four (4) hour minimum or actual time involved in the appearance.

Section 15.2

Employees are required to submit to the Employer an order or statement from the appropriate military commander as evidence of such duty. There is no requirement that the service be in one (1) continuous period of time. Such leave will cover the official period of the emergency.
- 33.1.2** Employees on military leave as provided for herein shall be paid the difference between their military service pay and their regular pay from the Employer for the duration of their military service, not to exceed the time limits provided for in Section 33.1.1 of this Article.

Replacement for damaged safety equipment and apparel, as determined by the Fire Chief or their designee, shall be ordered as soon as practical upon notification of the equipment needed. The Employer and the Union agree that an employee shall not be disciplined for refusing to use defective equipment, which would, if used, present a real and present danger of physical safety of the employee, their fellow workers, or the general public. In the event of layoffs, temporary employees shall be laid off first, then non-promotional probationary employees shall be laid off second, and employees with less than three (3) year's seniority will be laid off third, and all other part-time employees will be laid off fourth, before any permanent full-time employees are laid off.

Section 35.2

Employees with the least seniority within the classification affected by a layoff shall be laid off first. The affected employee may then elect to bump the least senior employee in the next lower classification providing they can perform the job without training.

Section 35.3

Employees who are laid off shall be placed on a recall list for a period of twenty-four (24) months. If there is a recall, employees who are still on the recall list shall be recalled in the inverse order of their layoff. Any recalled employee requiring additional training to meet the position qualifications in existence at the time of recall must satisfactorily complete the additional training requirements within twelve (12) months of recall.

If a drug confirmation test is positive, the employee may have the split sample retested by a DHHS certified laboratory. This request shall be presented within forty-eight (48) hours upon being notified of a positive result.

Section 36.2

Reasonable suspension shall be based on specific, current, describable observations concerning the appearance, behavior, speech, or body odors of the employee made during or immediately preceding the employee's work shift.

If no such leave credits are available, the employee shall be placed on medical leave of absence without pay for the period of the rehabilitation or detoxification program. A confirmed positive test will result in the employee being temporarily relieved from duty without pay pending completion of disciplinary hearings. Any leave of absence for rehabilitation or detoxification may be conditional upon receipt of reports that the employee is cooperating and making reasonable progress in the treatment program. In addition, this leave is conditioned upon the employee entering an appropriate treatment program as soon as possible.

36.4.2 Within sixty (60) days of entering the treatment program, or upon completion, the employee must provide satisfactory medical evidence that they have completed the program and are fit to return to work and must pass another drug/alcohol screen. This time limit can be extended by the Township Administrator based on medical or scientific evidence that a longer time is justified. However, no period longer than six (6) months total from the date of the original positive test result will be permitted. Failure to meet these conditions may result in disciplinary action. Accrued sick leave and accrued vacation may be used for this leave. Otherwise, this leave will be unpaid.

36.4.3 Any employee who has returned to work is subject to retesting, and if they fail the retest, shall be suspended without pay until the conclusion of the disciplinary process in this Agreement.
